

* Disclaimer – The Home Health Services Rules ARSD § 67:16:05 are currently being updated. With the update of ARSD § 67:16:05 to be in compliance with the Health Insurance and Portability Act (HIPAA) the payment codes for Home Health Services are transitioning from local codes to national standardized codes. With the transition to the new standard codes reimbursement will be based upon 15 minute units. Until the Home Health Services rule changes are final, please continue to bill according to the current Home Health Services rules, which can be found at

<http://legis.state.sd.us/rules/DisplayRule.aspx?Rule=67:16:05>.

(This disclaimer will be removed once rule changes are finalized and billing of these codes will be accepted at that time)
